

CLUB PEJU FREQUENTLY ASKED QUESTIONS

Q: When will my quarterly wine club selections be shipped?

A: Your preselected wine club orders are shipped in February, April, September and November. If you join between shipments, we will send you the current selection so you can start enjoying the Club right away! Prestige club members will receive their shipments in February, April and October.

Q: Will I be notified before my wine club order is shipped?

A: Approximately 2-3 weeks before your club shipment is processed you will receive an email to verify your account information and shipping address. This notification also provides you with a great opportunity to add more of your Peju favorites to your club order. Any changes to your shipping information or club status must be received by us prior to order processing to avoid return shipping charges.

Q: Do I need to be home to sign for my Wine Club shipment?

A: Yes. Federal law requires that all wine shipments be signed for by an adult (21 or over). Deliveries are made Monday-Friday 9am-5pm. We recommend using a business address when possible.

Q: I live locally and would like to pick up my wine club shipments. Is this an option?

A: Yes. We offer a will-call option and we look forward to seeing you at the winery. Please contact a wine club representative to set up your account for pick-up.
